# Reservations & Cancellation Policy:

Your project is the most important thing and our priority on top of everything. Forget the check-in & check-out rules, late arrivals, cancellations and stay focused in your project!

Once your application is approved, we will send you the payment information and all the details about your stay. In order to guarantee your stay, we will need a 50% of the total amount to be deposited via PayPal, Transferwise, Bank Transfer or Credit/Debit card. Balance is due upon arrival.

Once we receive your deposit, we will forward to you everything you need to know about our Writers' Retreats, transportation to and from the residency, meals, activities and any other info you might need.

However, life is full of surprises & we totally understand. That said, if written cancellation is received 10 days prior to your arrival, full refund will be issued unless you want to transfer your stay for another date within a year of your original booking (upon availability).
