# Reservations & Cancellation Policy:

Your project is the most important thing and our priority on top of everything. Forget the check-in & check-out rules, late arrivals, cancellations and stay focused in your project!

After receiving your application, we need a few days to go through and approve it. After approving your application, we need a non-refundable deposit of 30% and/or payment in full before reserving the space for you and confirm your stay in one of our Writing Retreats.

Your reservation is not completed and guaranteed if you do not receive a confirmation email from us. Your application approval and booking confirmation implies full acceptance of our Reservation & Cancellation Policy.

All prices and payments are in Euro. The 30% deposit can be send via Paypal, Bank Transfer or Credit Card. Should the deposit not be received within the time frame specified, we reserve the right to cancel your booking. All payment process fees & charges as well as currency conversion charges -if applied- are payable by the guest on top of the total amount of the selected package. Balance is due upon arrival and can be paid via Paypal, Bank Transfer, Credit Card or cash.

**However, life is full of surprises & we totally understand. A booking cancellation will only be effective when we receive written confirmation of the cancellation and have responded having acknowledged the cancellation. That said, if written cancellation is received 30 days prior to your arrival, your deposit will be refunded by 50% less 30 EUR administrative fee unless you want to transfer your stay for another date within a year of your original booking (upon availability).**

Without any limitation, we are not responsible or liable for bodily injury, death, delays, changes or losses caused by, but not limited to acts of God, war or threat of war, closure of airports, civil strifes, strikes, natural disasters, pandemics, accidents or any other events beyond or within our control, guests' injuries, illnesses, medical nor psychiatric conditions developed during your stay, loss of/or damage to personal property of guests. Please ensure that you get a full travel insurance to cover your holidays. We strongly recommend that you obtain an appropriate travel insurance at the time of booking to cover cancellations or loss of items, medical expenses, delays, etc.
